Two of our youth Sunday school classes are currently in need of Sunday school teachers to join their family. One class is the Junior High; they need a teacher who is willing to be a part of the leadership rotation every other week (twice a month), one week a month teaches the other week assisting. The Second class needing a teacher is the Senior High Sunday School class. This could also be set up in a rotational format if you are interested in helping, but cannot commit to every week. If you feel called to help in either of these classrooms please contact me. I hope that you will all prayerfully consider this wonderful opportunity to help nurture the youth and children of our church family.

30 Hour Famine Makes A Difference

On Sunday, January 15th – 16th, 26 youth fasted for thirty hours to support the World Vision organization, whose mission it is to make sure children around the world do not go hungry. The youth raised at total of \$1,986.00 which helps feed 6 children for an entire year. In addition to the funds they raised on their own, we as a church family raised an additional \$295.00 by Flushing Out Hunger with our Clemson and USC Potty Delivery and Removal! Thank you to everyone for your support and help to make it possible for us to make a difference and raise awareness again this year.
