

Children's Ministries

- Kids of the Kingdom will begin on Wednesday September 8th from 6-7:15pm.
- Children's Sunday is Sunday October 24th – please mark this date on your calendars! The children will be practicing on Sunday afternoons at 4pm in the choir room to prepare for this special service!

UMYF

- Please see reverse for UMYF Sunday evening activities! We will not meet Labor Day weekend. We will have our Kick Off event on Sunday September 12th at 5pm. We'll have pizza for dinner, games, and we will be watching the movie To Save a Life. Please bring friends to this event! On Sunday September 19th we will be going to the Soup Kitchen at 8:30am and we will not meet that night. Remember that Sunday September 26th is Youth Sunday!
- The Preteen Sunday evening program will not meet Labor Day weekend. We'll have our Kick Off event Sunday September 12th at 5pm. On Sunday September 19th, we will be going to Mr. Gatti's for dinner and games at 5pm.

Missions

- The church is in need of donations of non-perishable food items. Many families come by the church and are in need of such items as spaghetti sauce and noodles, applesauce, grits, oatmeal, macaroni and cheese, and other kid-friendly foods. Please bring items to the church on Sunday morning and place them in the baskets in the hallway beside the nursery.

Pairs and Spares

- Our next luncheon will be Thursday, September 23rd from noon to 1:30pm. For our program, Carolyn Linder will share pictures of their recent road trip out West. The church will provide the meat and tea. Please sign up in your Sunday School rooms closer to time and let us know what you will bring. Please join us for food, fun, and fellowship!

Christian Education

- Our midweek Bible study will resume meeting on Wednesday September 22nd. Sam Gambrell will lead a Bible study on prayer through the fall. Sam says, "This Bible Study is aimed at helping us better understand God's reasons for wanting to hear our prayers, and his graceful acceptance and appreciation of the individuality found in them. It could help with any hesitancy to pray and eliminate obstacles to an improved prayer-life." All are welcome!
