

# CANNON'S UMC YOUTH PRAISE BAND

I want to say that the praise band worked really hard this past month for the Christmas program. I want thank all of you for your participation and your hard work that we put into the program. I believe 2007 was a great year for the praise band, but I believe that 2008 will be even better. I am looking for more music for us, but I would like for the youth to find more music that we could play. If you have any ideas for the praise band please let me know at practice or you can call me anytime to shoot me any ideas. I want to say I enjoy jamming with you and I want to continue this band. We have really accomplished a lot with the band I have to say I am very enthusiastic with the band and we have potential to play more places. I hope you had a great Christmas and New Years and I hope you are enjoying going back to school. Ha-ha. Have a great year and I will see you Sunday. I want to say I enjoy you and may God bless you.

NATHAN

## Praise Band Practices

The new practice time is now 4:30 pm – 5:30 pm. Check out the Youth Newsletter for the schedule.
